Man Is The Creation Of Allah
Man is the creation of Allah Almighty.
Allah gave man the wisdom
to differentiate between
the right and the wrong,
Allah sent prophets and the
Holy books for the guidance of man.
He gave him the free will.

Surrender Before Allah

Allah has taught the way of spending life.
Man has the right either to choose
a path of his own will, Or
Surrender before Allah,
And choose the path that Allah guides,
The path that Mohammad [S.A.W.] taught him.
He may adopt it using his wisdom.

The Aim of Our Lives

To worship Allah,
To surrender free will
before Allah,
To do work to please Allah,

Is The Aim of Our Lives.

Aims For Livelihood Cannot Be The Aim Of Life

To adopt professions like becoming
A doctor, engineer are not aims of Life.
These are mere ways to obtain livelihood.
Actual Aim of Life is to surrender our
Free will before Allah, to Obey Allah,
And spend life to Please Allah.

Dominion Is In Allah's Hands

Allah Subhanahu Wa Taala Says:

"Blessed is He in whose hand is
dominion and He is competent
over all things." [Surah Mulk]

In fact, Allah has the Competency
To Fix The Aim of Our Lives.

Life Is A Test

"He is the one who created death and life to test you (as to) which of you is best in deeds." [Surah Mulk]

In fact, Allah has the Right
To Fix the Aim Of Our Lives

Allah's Might Is Witness Of His Guidance

"And He is the Exalted in Might
and Forgiving."

[Surah Mulk]

In Fact, Allah Almighty has the Right
to Fix the Aim Of Our Lives.

Skies Are The Witness Of Allah's Guidance

"The One Who created
seven Skies
in layers." [Surah Mulk]

In Fact, Allah has the Wisdom
To Guide Human Beings

No Inconsistency In His Creation

"You will not see
in the creation of the
Most Merciful
any inconsistency." [Surah Mulk]

In Fact Allah has the Control
on Universe and Human Beings

No Error in The Skies

"So return your visions to the sky;
do you see any breaks?

Then look return your vision twice
again, your vision will return to you
humbled while it is fatigued." [Surah Mulk]

No error in the Skies,

No error in His Guidance System[Islam].

Turn To Allah

Our life on this Earth
is very short.

We have to
return to Allah.

So, in this short period of life
We have to work hard.

Life Without Aim

Without Aim our life
is at Risk,

This risk increases

If someone adopts a wrong Aim
For his life.

Conclusion

Aims of Life set by a human being can be wrong.

Allah has set for us the right aim.

Allah has given us the aim,

To worship Allah,

To obey Allah,

To surrender our free will before Allah.

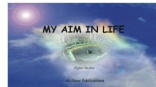

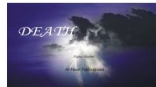

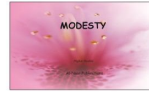

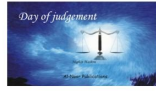

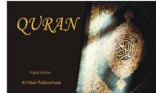

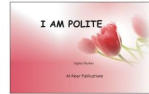

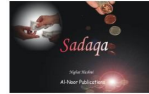

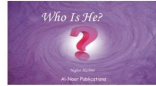

If I surrender before Him,
He will settle me in Jannah.
He will never let me die.
Never let me get old,
Never let me get ill,
And will give me an eternal
and everlasting happiness.
For this reward I can bear all hardships.
